

I.C.R. W.U.A. Monthly Operator Notes
June 23, 2017

Molly Way was flushed twice and the fire pumps exercised.

The easement road was checked twice to insure no leaks or issues with our line.

Enviro-Tech has given us a bid for the air over water pressure tank at Molly Way

The programmer was at Molly Way on Wednesday 6/21 and will provide a proposal in the next few weeks

Received 20 more line markers for the TRR transmission line, they will be installed this month

Meter verification program will start this month

Received a complaint about water usage on Spotted Eagle in ICR looks to be a drip system issue

Weed abatement is ongoing

Meter reads went well this month.

Monthly samples were collected and delivered to the lab. (No issues)

All equipment is working properly at this time with the exception of the Molly Way program issue
