

I.C.R. W.U.A. Monthly Operator Notes
November 2019

Molly Way was flushed twice and the fire pumps exercised.

The easement road was checked twice to insure no leaks or issues with our lines

ICR well #2 repair is complete and well is back online and functioning fine

Several emergency call outs over the Thanksgiving holiday weekend power outages and equipment failures, all were responded to and taken care of

Responded to a customer issue, problem resolved (customer side issue)

(5) new meter installs were completed (2) ICR (3) TRR

Meter reads went good this month

Monthly samples were collected and delivered to the lab. (No issues)

All equipment is working properly at this time
