

ICR Water Co.

Operators Monthly Notes 3/26

- #1- Operations and maintenance of the system is ongoing.
 - #2- All easement roads have been checked for leaks monthly.
 - #3- System wide periodic line flushing and fire pump exercising is ongoing.
 - #4- 72 Blue stake orders complete.
 - #4- 4 meter installs 3 icr/1trr
 - #5- Well #5 is now primary and 4 is secondary for Talking Rock.
We are waiting for the new transducer for well #4 for better control.
 - #6- Lake line is running 10 to 12 hours a day for now, it will change soon.
Back to 21hours a day, usually in May.
 - #7- I'm in the process of finding a pest control company to assist in protecting our assets from pest invasions
 - #8- All compliance samples are in and passed at this time.
 - #9- Meter reading went well. All well meters are now reading in auto.
- FYI, the cooper morgan genset is off line till Monday. So we are on stand by until its back in operation. Hopefully no power outages at cooper morgan.
